PROFESSIONAL SUMMARY

Graphic Designer with experience spanning brand design, social media content, and marketing production across tech companies and independent ventures. Proven track record of driving measurable audience growth, managing end-to-end creative workflows, and producing polished visual assets for global audiences.

EXPERIENCE

Graphic Designer

FriendliAI | Nov 2025 – Present

- Lead design direction, production, and vendor alignment for booth graphics displayed at top Silicon Valley and APAC conventions, including Nvidia GTC (San Jose, CA), SuperAI (Marina Bay Sands, Singapore), and HumanX (San Francisco, CA)
- Build and maintain a project management system in Notion for the full marketing org, including interconnected automations for project and task creation, master calendar scheduling, and streamlined wiki and project visibility
- Manage company social media channels end-to-end, covering content brainstorming, scheduling, production, and publication
- Grew organic LinkedIn impressions by 90% and followers by 92.3% within Q1 2026 through a consistent, purposeful posting schedule backed by a Notion-based content planning system
- Partner cross-functionally with the GTM team to produce customer-facing PowerPoint decks, one-pagers, and videos
- Coordinate with partners including NVIDIA and Kilo to develop co-marketing initiatives across blogs and social media
- Design landing pages for customer stories, campaigns, and use cases using Figma and Webflow
- Capture, conduct, and edit short- and long-form video content for company hosted events and large conferences

Social Media and Content Creator

Weaviate — Remote | Nov 2024 – Nov 2025

- Created digital content including social media assets, promotional materials, and campaign graphics maintaining brand consistency across channels
- Produced the Agentic Architectures eBook, reaching nearly 10,000 global downloads
- Developed multi-format content including presentation decks, architecture diagrams, video thumbnails, and tutorial graphics for developer-focused audiences
- Grew combined LinkedIn and Twitter following by over 20,000 new followers from November 2024 to May 2025

EDUCATION

California State University, Fresno

Bachelor of Fine Arts in Graphic Design | Aug 2020 – May 2024
